*Waiting list families have one week to claim their child's spot on their expected start date. After the expected start date has passed and we have not heard from the families the child will be placed back on the waiting list.

*Tabernacle Child Development center accepts the CAPS Program.

*Children are guaranteed 45 hours per week in the center. Anything over 45 hours per week will result in overtime charges.

*There is a 10% discount for the oldest child for families with two or more children.

Parents are responsible for tuition regardless if child is present or not for the week. This includes child being sick.
