INTRODUCTION

Our highest aim in life should be to serve God in all that we do, all that we say, and in all that we believe. Fasting is a way to draw closer to God. Similarly, the principal of financial fasting is to deny your flesh so that you can become closer to God. The 40 Day Financial Fast will help you break the yoke of the material and financial burdens of this world by aligning your heart and mind with the will of God for your life. Through financial fasting you are exercising discipline in your spending, as well as, renewing your mindset toward the way you handle your finances. This will allow you to enter into an inner dwelling of lasting financial peace and freedom. Whatever your financial situation, you will be challenged to focus only on the necessities to sustain your daily living while demonstrating your stewardship towards God, your family, your church, your community, and to yourself.

FINANCIAL DISCIPLINE

- **PRAY:** Daily for God to give you direction in managing your finances.
- **COMMITMENT:** Finish the fast.
- **SAVE:** Every member is encouraged to give a sacrificial offering of their choice (at the end of the fast).
- **PREPARE:** A failure to plan is a plan to fail.
- **TRACK:** Write down all expenses.
- **AVOID:** People, places and things that you know are a distraction.
- **SET FINANCIAL GOALS:** Specific, Measurable, Attainable, Relevant, Timely.
- **EXPECT:** Your faith to be challenged and stretched and your financial seeds to reap a harvest
