

# READING THE BIBLE IN ONE YEAR 2026

Walk through the whole Bible with us.  
Six days a week is all it takes.

# READING THRU THE BIBLE IN ONE YEAR 2026

## READING PLAN

6 Days Read • Sunday Reflect & Worship

### Purpose

This Bible-in-a-Year plan is designed not just to help you finish the Bible, but to form a daily habit of walking with God through His Word. It is sustainable, grace-filled, and formational—meant to deepen your faith, not overwhelm you.

Old and New Testament readings are paired to keep the story of Scripture moving forward while keeping Jesus at the center. Some days the connections will be clear; other days, trust that God is still shaping your heart through His Word. There is no pressure to “figure it all out”—this is about listening, reflecting, and allowing the Spirit to speak.

### Weekly Rhythm

Monday–Saturday: Scripture Reading

Sunday: Reflect & Worship

If you miss a day, give yourself grace and keep going. Consistency matters more than completion.

Read prayerfully. Read patiently. Read with expectation.

### Weekly Reflection Questions

Use the weekly reflection questions to move Scripture from information to transformation.

1. What stood out to me in the readings this week? (Was there a verse, story, or phrase that captured my attention?)

2. What did I learn about God? (What does this week's reading reveal about God's character, promises, or ways?)

3. What did I learn about myself? (Was I challenged, encouraged, corrected, or comforted?)

4. How can I live this out this week? (Is there a truth to apply, a habit to change, or a step of obedience to take?)
