Our History

Tabernacle Child Development Center Inc. was founded in 1957 as an institution of higher learning for children ages six weeks to five years old. Under the pastoral leadership and creative vision of Reverend Dr. Charles S. Hamilton, the center would become a revolutionary and innovative legacy with a deep rich history.

The first director, Mrs. Ruby McNatt, faithfully served for many years during which time our board was formed.

Mrs. Louise B. Scott succeeded McNatt dedicating 35 phenomenal years of professional, loyal, and dedicated service. Like Reverend Hamilton, she had vision and wisdom that led to unprecedented contributions.

Our History continued

Scott diligently built the daycare to mold the minds of children by instilling in them to be their best as they set out on their academic journey.

Following Mrs. Scott's tenured leadership as CDC's director was:

- Mrs. Julia Brown
- Mrs. Gwen Lamback
- Mrs. Veronica McAlpine
- Mrs. Nancy Melton
- Mrs. Cierra Combs

The current director is Ms. Mary Anne Carter and board of directors' chair is Dr. Sharon Ray.
